

## Butterfinger Cake

### Ingredients:

- 1 box yellow cake mix
- 1 can sweetened condensed milk, not evaporated
- 1 jar caramel ice cream topping
- 2 Butterfinger candy bars, chilled and crumbled
- 8 oz. container Cool Whip

### Directions:

Bake cake by box directions. While cake is baking, mix milk and caramel topping until well blended. When cake is done and while it's still hot, poke holes in it with a fork or straw. Pour milk mixture over cake. Sprinkle one candy bar over the top. Spread Cool Whip over the top, then sprinkle the other candy bar on top. Chill before serving.
