

CHELCO Lighting

WHAT TYPES OF LIGHTING DOES CHELCO OFFER?

CHELCO offers residential and small commercial lighting. Whether you are a homeowner, a developer or an HOA, we have a lighting solution for your needs.

RESIDENTIAL LIGHTING

CHELCO offers several models of outdoor lights designed to bring the right amount of illumination to your property. All new residential lighting installations are LED lights, and each offers something different to meet your needs. If needed, wooden poles are available for lease. Lighting charges will be applied to your monthly electricity bill.

DECORATIVE COMMUNITY LIGHTING

CHELCO also offers LED decorative and street lighting for developers and homeowners' associations. Our selection provides the benefit of efficient lighting without sacrificing style.
